YOEMEN GO TO ROCKDALE FRIDAY

GREECE RUSHES MEN TO BORDER

NEW WAR LOOMS IN SOUTHEAST EUROPE

Greece was reported today to be mobilizing every available man of the army on the Albanian frontier in anticipation of an Italian attack.

Adolf Hitler and Benito Mussolini were reported today to be scheduled for an important conference at Brenner Pass within the next few hours.

The last time they met at Brenner Pass, Italy entered the war against France and England. The forthcoming meeting will no doubt shape new and important developments in the war.

Observers in foreign capitals believe that Hitler has been put to the necessity of forcing activity from Italy, that the campaign in Africa has bogged down and Hitler seeks to take full advantage of Italy's partnership in the conquest.

Italy is believed to be planning an immediate attack upon Greece and this may bring Turkey into the war although there was no indication that Turkey would do anything more than maintain her neutrality.

Greece is doomed, another small nation to fall before the forces of Nazi Germany, and will mark the uprooting of the last nation in Europe friendly to Great Britain.

President Roosevelt will deliver an important address on National Defense on October 12th.

British bombing planes carried out the most devastating raid of the entire war and are reported to be blasting many ports inside Germany including Berlin.

Old Flask Made in Book Form, 180 Years Old, at Herald Office

An old flask—180 years old or more, now the property of G. W. Manley at Minerva, is on display at the Herald office.

This flask is made of pottery material and highly polished. Its shape is that of a law book or Bible, and also similar to the poem books issued a century or more ago.

The flask was brought to America from Ireland. David Manley said the flask was 100 years old when he gave it to his son W. P. Manley who is the father of G. W. Manley at Minerva.

Mr. Manley said his father kept the flask, for 37 years before he received it and he has had it for 45 years.

The family custom was to pass the relic on to the eldest son. David Manley came from Ireland and was the grand father of G. W. Manley at Minerva.

Relics of this nature are rare and Mr. Manley prides it highly. It is for sale to any reputable collector, provided the price is commensurate with the value of the relic.

Roy Griffith Finds Note Telling Him He is Going to Die

When Roy Griffith, owner of the Griffith Barber Shop, arrived at his place of business at 7 a. m. Tuesday he found a note fastened to the knob of the door, reading as follows:

"Warning! You are going die."

Mr. Griffith was inclined to treat the matter as a joke but on the other hand the note has caused him considerable anxiety. It may have been meant for someone else in the shop.

"I know I am going to die," said Mr. Griffith, "but I do not know when and I hope no one else does."

EDUCATOR HERE

Dr. S. E. Smith of the Sam Houston State Teachers College in Huntsville will be at Yoe High School at 5 p. m. Tuesday (today) to offer advance courses in Education and Government.

Dr. Smith wants to meet as many rural teachers as possible. Delay in this announcement is regrettable.

DRAFT BOARDS ARE KNOWN IN AUSTIN

Registration machinery for Milam County was set up today when Homer Nabours, County Clerk and Mrs. Guy T. Newton, County Superintendent, sent out letters.

The County Clerk's letter goes to election managers and the superintendent's letter goes to the schools.

Governor W. Lee O'Daniel announced today that draft boards in all Texas Counties have been selected.

The members are to serve free and according to radio broadcasts each board will provide its own secretary. Names of the board members will be announced by President Roosevelt in Washington.

County Clerk's Letter.

According to information received by the Commissioners' Court from the Governor of Texas acting on instructions from the Federal Government at Washington, D. C., you will be called on to preside over your voting precinct in the registration of all male persons within the age limit of 21 to 35 inclusive for Selective Service on October 16, 1940, from 7 a. m. until 9 p. m.

Probably the most important job that you will have is that of arranging for registration clerks called "Registrars." These will be volunteer workers; they may be either male or female, but male registrars must be under 21 years and over 36 years of age.

It is estimated that it will require from 20 to 30 minutes for each registration.

The Commissioners' Court has requested the County Superintendent to close the schools on that date so that the school house may be available and it is also requested that the teachers who are not within the draft age aid you in the registration.

The United States flag must be displayed at each registration place. All blank forms will be furnished you and will be sent to you in ample time for registration. Detailed instructions regarding the use of each form will be sent you. Please make arrangements for the necessary workers.

If for any reason you can not serve, please notify this office at once.

Yours sincerely
HOMER NABOURS,
County Clerk.

County Superintendent's Letter

Dear Principal or Superintendent:

As you doubtless know, Wednesday, October 16, is registration day for manpower under the National Draft Act. You are requested to designate October 16, as a holiday at your school, and all teachers who are ineligible for the draft—all women teachers and men teachers who are not in the draft age—are asked to volunteer their services to assist in the registration. Registration will begin at 7 a. m. and close at 9 p. m. It will be done at the regular voting boxes and whether or not your school is one of the few which is not a voting box, teachers are asked to declare a holiday and volunteer to assist at the regular voting box in each voting precinct. You are asked to display the United States flag at each place of registration.

You understand that it will be necessary for a great deal of accurate work to be done in a very limited time, and that no one who assists in this registration receives any compensation.

Please notify this office immediately as to how many volunteer workers we can expect from your school.

Very truly yours,
MRS. GUY T. NEWTON,
County Superintendent.

Mrs. Janette Lemar of San Antonio visited in Cameron Tuesday.

Charles Brady Heads Red Cross Drive in City of Cameron

County Roll Call Chairman, Ray O'Neill, has announced the appointment of Chas. Brady of the B & B Studio as Cameron chairman for the coming Red Cross Roll Call.

The county and city organizations are being swiftly perfected and schooled for this important Roll Call.

This year's call is in the nature of a National Defense drive and a large percent of the money not retained by the local chapter will go toward habilitating the hundreds of thousands of American soldiers in training for the next twelve months.

It is the duty of the Red Cross to train sufficient nurses for all army field hospitals and first aid stations. It also gives most of the first aid instruction to the soldier himself.

Just as in the world war the demand on the Red Cross is very heavy during the training of new men in the military forces.

HUBERT JOHNSON IS ROATARY CLUB SPEAKER

Dr. Hubert Johnson, superintendent of the Methodist Home, Waco, addressed the Cameron Rotary Club today.

Dr. Johnson spoke along the lines of building for those who follow us. He pointed out that the proper spirit of friendship and fellowship in Rotary and other organizations would go a long way toward building ideals and ambition in the youths who come under our influence. He concluded his talk by quoting the splendid poem, "The Bridge Builder."

Dr. Johnson is well known in Cameron and his work with the more than four hundred children in his care is acclaimed throughout Texas. The club is indebted to Rotarian Fred Blake for arranging the program.

Several guests and visiting Rotarians were present for the meeting. Rev. Mills of First Methodist Church, Oxsheer M. Smith, President of Citizens National Bank and Albert Young, new manager of Texas Power & Light Co., were guests. Visiting Rotarians were B. C. Davis of Austin, Ed Bluestein of Bryan, Chas. Blake of Hearne, and Fred Birchenback of Hearne.

Nominees Are Named For Band Sweetheart

Candidates for Band Sweetheart are: Marie Mode, Mary Jane Brock, Catherine Allen, Bernice Longmire, Gladys Hollingsworth, Hazel Ruth Richards, Ruth Little.

Ballot boxes where votes may be deposited have been placed at the following places in the city: Palace of Sweets, New Cameron Drug Co., Tex Miller's, Laake Drug Store, Buckholts, Maysfield and Yoe High School.

The contest to name the band sweetheart for 1940-41 which was begun on September 25th will close on Saturday, October 5th.

Ballots may be purchased from anyone of the nominees for the place. The funds go for the benefit of the band.

Each year the selection of a band sweetheart is a city wide event and also a county wide event because of the interest in places where students

ATTENDS CONVENTION

J. E. Johnson attended the First Annual Convention of the Texas Society of Architects held in the Driskill Hotel in Austin Friday and Saturday. A very comprehensive showing of building materials was made. One hundred and twenty-five architects were present.

Monroe Walker of Buckholts was a business visitor here Thursday.

Mrs. George Beard of Milano visited in Cameron Tuesday.

CAMERON LISTED FOR GOVERNMENT AIR BASE

An appropriation of \$165,617 is sought by the Civil Aeronautics division of the National Defense Act for an air field at Cameron.

A list of Central Texas cities included in the air expansion program of the United States was published in the press of Sunday. A line of air fields across Central Texas, West and South Texas are provided for and if Congress makes the appropriation a suitable sight of the opportunity to take part in this patriotic service. The schools are fundamentally American and as such will lend their fullest co-operation.

Schools City of Cameron, Rockdale, Thorndale, Buckholts, Milano, Sharp and San Gabriel are asked to close along with rural schools.

For information of the public these letters are to be reproduced in the Daily and Weekly Heralds.

Men in the draft age, 21 to 35 inclusive are to register between the hours of 7 a. m. and 9 p. m. on Wednesday, October 16th.

Winners Announced In Personality Contest Friday Night

The Cameron Band Parents Association under the able direction of Miss Catherine Mode, sponsored a Personality and Talent contest and presented "Little Mr. and Miss Parade" Friday night at the Yoe High School gymnasium.

In the "Little Mr. and Miss Parade" boys and girls from one to ten years of age entered to compete for awards.

Miss Dorothy Renee Miller, daughter of Mr. and Mrs. Cyrus Miller, was winner for "Miss Parade" and John Morris Duncum, son of Mr. and Mrs. Coleman Duncum placed first for "Mr. Parade." Each received a silver dollar.

Girls from 14 to 25 years competed in the Personality contest. Miss Vivian Whites, daughter of Mr. and Mrs. Tom Whites, placed first and has received a trip to Corpus Christi with all expenses paid to enter similar contests. Theresa Manning received second place and Irene O'Neill placed third.

Ten acts were entered in the talent contest. Miss Ila Jean Stidham, daughter of Mr. and Mrs. Tom Stidham, received first award when she played her own arrangement of "I'll Never Smile Again" on the piano. Martha Frances Brogdon won second place in talent and Willard Skelton placed third. An interesting act on the program even though it did not place in the prize winning was an original composition, "You Mean the World to Me," by John Calvin Haygood and Robert Sloan Ryan. John Calvin played the clarinet and sang the words of the song while Robert Sloan accompanied him on the piano.

REGISTRATION SET-UP IS ANNOUNCED HERE

Schools in Milam county, rural as well as urban will be asked to close on October 16th for registration day under the national draft act.

Homer Nabours, county clerk and Mrs. Guy T. Newton, county superintendent, have sent out letters asking the schools to close for that date and teachers not in the draft age to volunteer for registration duties.

The Commissioners' Court voted Saturday to adopt this plan.

The schools no doubt will be glad will be purchased near Cameron for the field.

These fields can be used as operating bases as well as for training pilots under Civil Aeronautics plans.

This is the first time Cameron has been recognized as a possible military center and the Daily Herald was informed that considerable interest was being manifested in Cameron.

Congressman Bob Poage of Waco is responsible for including Cameron on the list of proposed fields in his district.

FORMER RESIDENT OF MILAM COUNTY DIES

Thomas H. Phillips, 65, died suddenly Friday, September 27th at his home in Bowie.

Mr. Phillips was a native of Milam County, born on August 6, 1875. He had been a resident of Montague County for twenty three years and a carpenter by trade. Mrs. Phillips preceded him in death 15 years.

Surviving are two sons, Quieton and Ed Phillips of Bowie and two grandsons. Other survivors are three brothers, Ed Phillips of Buckholts, Bob Phillips of Cameron, John Phillips of Houston and one sister, Mrs. L. J. Bowling of Gause.

Funeral services were held Sunday, September 29th at 2 p. m. from the chapel of the Burgess Funeral Home in Bowie with Rev. Westbrook officiating and Rev. Breinhart assisting.

Burial was made in Elmwood Cemetery at the side of his wife.

All the survivors of Mr. Phillips wish to express their sincere thanks to the people of Bowie for the flowers and expressions of sympathy they received at his death.

Combined Ages of 33 Cameron Residents Total 2763 Years

If you want to live long, move to Cameron.

Drinking Little River water and breathing the atmosphere of the Friendly City are promotions worthy the claim that here as no other place in the world do people live to ripe old ages and grow stronger in mellow wisdom to reach days of usefulness.

The combined ages of 33 Cameron residents totals 2763 years. A friend and daily reader of the Herald gives us opportunity to issue a broad challenge to any city to equal this record of gray heads who have lived from 80 to 95 years.

The number included in the survey may not include all. Only those who have reached their 80th birthday are enumerated.

The Daily would print the names but out of deference to the ladies we refrain without permission.

The youngest included in the survey is 80 years old. The oldest Grandma Bagley now 96. Twelve are 80 years old; two are 88 and two are 87 and one is 89.

METHODIST CHURCH DEDICATED SUNDAY

First Methodist Church of Cameron was dedicated Sunday evening, September 29th, at 8 o'clock by Bishop A. Frank Smith of Houston, who is Bishop of Texas Conference, as well as President of the College of Bishops of U. S. A.

The church was filled with many visiting members in and near Cameron. There were many present who had attended all three church building dedications as well as many from far and near who remember the first church building, which was a wooden frame building; later a brick, then the present church which was begun under the ministerial work of Rev. Ira F. Key, and was opened for its first service April 16, 1922.

There were present three of the former Cameron pastors, Rev. Ira F. Key of Bay City, Rev. R. S. Marshall of St. Paul Methodist Church of Tyler, Rev. J. Coy Williams of Pittsburg, all of whom were accompanied by their wives.

Sunday evening services the Methodist choir, assisted by other choirs of the city, gave a musical program, followed by a sermon by Bishop Smith, who gave the dedicatory with the church joining in the service.

Monday afternoon the 30th of September, Charter meeting of Texas Conference of the "Women's Society of Christian Service," a new set up of the Methodist Church, was opened with Bishop Smith as convener; Mrs. J. Walter Mills, "Representative" (Turn to page 5)

TIGERS ARE FAVORED BUT YOEMEN STRONG

The Yoemen go to Rockdale on Friday night for their first conference game of the season.

On the following Friday they go to Georgetown for their second conference game of the season.

The game with the Rockdale Tigers on Friday night will be the toughest game of the season thus far. Some have said that the McGregor game was to be the most severe test.

There is every indication that the Rockdale Tigers are tops in pre-season dope for the district. Next in order are the Taylor Ducks. If the Yoemen come through with a win in their first conference game they have a good chance to take the district.

Rockdale has 11 letter men back, and the greatest backfield the conference has had in many years, if not in history. The backs are fast and there are few if any weak spots in the line, so it is going to be double tough for the Yoemen.

Coach Wood was making no effort to hide the serious difficulty his young and inexperienced team will have with the veteran Tigers. The boys are ready, however, and have come through without injuries and are a bit hepped up over their Caldwell victory last Friday.

Rosebud, Belton and Georgetown are weak this year. Cameron has never defeated Belton in conference history. Around the Yoemen camp there are some who dream of the possibility of a victory this year over Belton.

Cameron will take a host of fans to Rockdale Friday night. If the Tiger field has not increased its seating capacity standing room will go at a premium.

METHODIST WOMEN HOLD CHARTER MEET

By MRS. CLAUDE TRIGGS

The Charter Meeting of the Texas Conference of the Woman's Society of Christian Service which convened at the First Methodist Church in Cameron, Monday and Tuesday of this week, brought more than 200 delegates and a large number of guests to the city.

The purpose of the meeting was for the election and installation of conference officers.

Bishop A. Frank Smith, Convener, presided over the meeting until the election of the new President.

Mrs. C. T. Schadel of Bay City, a Missionary for many years, to Africa, was elected President.

Mrs. J. W. Mills of Tyler, the retiring President, who has served for 21 years, was made President Emeritus.

There were two conference officers elected from the Marlin District Mrs. J. W. Lany of Marlin and Mrs. A. L. Leifeste of Hearne.

Mrs. R. L. Batte, President of the local society, was elected a delegate for 4 years to the Jurisdictional Society which meets in Tulsa, Okla., December 2 and 3.

Bishop A. Frank Smith preached to a large audience Monday evening on the "New Work" of the Methodist Church, and at the close of the service, the Sacrament of the Lord's Supper was administered by Rev. John W. Mills, pastor host, and a number of visiting ministers.

Tuesday morning in a very impressive ceremony, the babies of Rev. and Mrs. John W. Mills, Mr. and Mrs. Leland Green, Jr., and Mr. and Mrs. Carol Green were presented at the altar for enrollment as life members.

The visitors were loud in their praise of the warm hospitality extended them by the people of Cameron.

Clifford Thompson of Arkansas is visiting his mother Mrs. Vileta Thompson and other relatives here.

Miss Imogene McLerran visited in Temple Wednesday where she attended the circus.

Monta Thomas was a visitor in Temple Wednesday afternoon.

Mrs. H. N. Harris.
Miss Irene Kuzell accompanied Miss Lillie Mikulus and Edwin Jez of Seaton to Austin Sunday where they were guests of Miss Lorene Kuzell a student in Durham's Business school.

Mr. and Mrs. V. A. Kubecka, son V. A. and Mrs. John Kirschke went to Austin for a visit with relatives. Mrs. Kubecka remained for a longer visit.

Gillis Named on Registration Board Advisory Chairman

Judge Graham Gillis has been named Chairman of the Registration Advisory Board for Milam County by Governor O'Daniel and has accepted the place.

The area covered by the board is Milam county. The Board has no connection with the Draft Board which is to be named later. Governor O'Daniel has asked all District Judges in Texas to act in this capacity in their districts.

The judge has named a lawyer member of the board and if acceptable to the governor they will meet and complete the advisory council.

The Board to administer the draft will be named within a few days by President Roosevelt in Washington.

RUSSIA TO JOIN IN WAR ON AMERICA

The long expected total war for the destruction of Democracy in the world was near a reality today as Soviet Russia and Germany reached an agreement on railway traffic demands between the countries and Japan was near an agreement with the Soviet for war on the United States in the Far East.

German troops are soon to be sent to Italy and from Italy will be transported to Africa to wipe out the British army. This move also assures German help in the air for the Italians in the battle of the Mediterranean.

The first great push will be made to capture the Suez Canal and to control the Eastern trade route and to make room for co-operation from Japan whose navy is the third largest in the world.

This is the next theatre of war in Europe and indications were it would not be long in delay.

The United States must either get out of the Far East or fight and there was no indication today that America had elected to fight because the Japanese continued to disturb the status quo in the Far East and the American government makes no effort to protect our interests in that part of the world.

On the whole the picture was dark. Russia's great manpower would be something to reckon with because of the disadvantage America would have in transporting troops and supplies to Asia.

British subjects have been expelled from Rumania. This is the first drastic manifestation of the influence of Nazi Germany in the Balkans. Rumania has become a part of Adolf Hitler's kingdom.

President Roosevelt today asked France to return to America fighting planes located at Martenique. These planes are aboard French ships and are under surveillance of British warships in the French Island in the Atlantic near South American shores. They were sold to France but never delivered because that nation collapsed and gave up to Germany.

Royal Air Force bombers had sown destruction around Berlin in Central Germany and almost obliterated the port of La Harve on the French coast. Many American soldiers landed at La Harve during World War days.

Japan and Russia are signing a military alliance and this should remove all speculation as to where Stalin stands in the war to destroy

Democracy.

Neville Chamberlain, former British Prime Minister, plans to resign soon.

While Germany is making the world believe the next phase of the war will be in the Mediterranean, extensive preparations are going on for an invasion of England but the British Royal Air Force took a heavy toll of German convoys in the English Channel and continued to blast all bases being used by Hitler for his jumping off place to take over the British Isles.

LEAVES SHORTLY FOR SAN ANTONIO

Robert Sloan Ryan, son of the late John Ryan and Mrs. Ryan passed the physical examination for a flying cadet at Randolph Field on September 22. His many friends wish him every success in his chosen field as an aviator. He will leave shortly for Randolph Field in San Antonio.

Blanks Arrive for Alien Registration

Registration blanks for tabulation of aliens have been received at the local post office, according to postmaster John R. Hays and all aliens may now register.

Registration was suspended several days ago when the supply of blanks was exhausted but has now been resumed with an ample number to take care of all registrations.

Mr. and Mrs. Paul Laake, Sr., celebrated their 60th wedding anniversary Sunday, September 29th at their home. A delicious turkey dinner was served to the immediate family.

HOLLAS-JISTEL

Miss Agnes Jistel of Cameron and Hugo Hollas of Rosebud were married in a single ring ceremony Tuesday morning, September 24th at 8 o'clock at St. Monica's Catholic Church with Rev. George Duda, officiating. The bride's maids and the groom's attendants entered the church in couples and took their places at the altar, preceding the bride and groom who also came in together. Miss Louise Jistel, twin sister of the bride was maid of honor and wore bright blue taffeta. Miss Hilda Hollas of Austin, sister of the groom, was the bride's maid and wore blue mist taffeta. They carried bouquets of pink rosebuds. August Kostroun was best man and Anton Moraw was groomsman. The bride chose white satin in princess style with sweetheart neckline. The full skirt formed a train. The long veil of white silk tulle was draped from a coronet of orange blossoms. She carried a wedding bouquet of

white gladiolas and bridal wreath tied with white satie streamers. The immediate families were served a dinner at the home of the bride's father Fred Jistel. After the reception the couple left for a honeymoon to Corpus Christi and other interesting places in south Texas. For her going away costume Mrs. Hollas wore a grape wine dress with black accessories. The groom is the son of Mr. and Mrs. Frank Hollas of Cameron. Upon their return they will make their home in Rosebud.

Joe Cavit of McGregor was a business visitor here Tuesday.

YOU'LL SAY IT'S

"FIRST BECAUSE IT'S FINEST!"

MEET the new Chevrolet for '41, and we are confident you'll say, "It's first because it's finest—Again Chevrolet's the leader!"

For this car is the result and the reward of almost ten solid years of Chevrolet leadership in motor car sales... leadership that has brought with it unequalled manufacturing economies and unequalled value-giving powers... leadership that now makes it possible for Chevrolet to offer you a motor car which surpasses all previous levels of luxury in the lowest price field.

This new Chevrolet for '41 is a much bigger car in all ways—with a longer wheelbase and greater over-all length—with longer, larger, wider Fisher Bodies—with exceptionally comfortable interiors giving "3-couple roominess," or ample space for six passengers, in the sedan models.

Your Chevrolet dealer cordially invites you and your family to visit his showroom... invites you to make a thoroughgoing test of the finest motor car Chevrolet has ever built... invites you to eye it, try it, buy it—today!

BOBBY HAYS LEADS YOEMEN TO VICTORY

A one man blitzkreig—Bobby Hays, sterling quarterback of Coach Wood's 1940 Yoemen, gave a dazzling performance here last night behind a forward wall that ranks with anything the school has had to disturb a Hornet's nest and run away with a ball game.

Three times Hays crossed the Caldwell goal line and figured in the fourth touchdown when he relayed a pass from center after faking off tackle play, to Arthur Cobb who swept the Caldwell left end to make the grand score of the ball game 24 to 0.

Captain Tindall lost the toss but elected to receive. The Yoemen began an 80 yard march in the first quarter after the kickoff and Hays scored on an off tackle play, dodging a half dozen Hornets as he raced through from the 6 yard line for the first touchdown of the game.

Robert Salach's toe was out of gear and out of harmony with his amazing play at center. He missed four goals.

At the half the score was 6 to 0, a conservative estimate placed on the final score of the game by the Daily Herald. The alibi is a good friend sometimes. Based on prospects on the eve of the game, it appeared that Charlie Kunz, left end would not be in the game and Thomas Brashear, first string tackle was not due to play. These two boys had as much to do with the successful victory as anyone else with Kunz a standout at end play.

The Yoemen scored three times in the last quarter besides racing the Hornets up and down the field, piling up yardage against the favored team.

Twice in the third quarter Caldwell penetrated the Cameron 20 yard line, reaching the 14 and the 19, but the Yoemen line, playing the brand of football that made them immortal against McGregor, threw back the determined Hornets and saved the Maroon goal.

Late in the fourth quarter the Yoemen opened up with a brand of passing that gave the crowd a big thrill. Hays to Tindall and Hays to Cobb and Hays to Bell carried the Yoemen down the field and paved the way for the fourth touchdown.

It was the first sustained passing offense the Yoemen have undertaken this season.

Power of the Yoemen line was inspiring. Louis Aranda got a big hug from Coach Wood and a wild cheer went up from the stands as he trotted off the field late in the fourth quarter, leaving behind one of the best performances ever given at an end position in the history of Yoe High. He was replaced by Black who made a good showing.

Charlie Kunz who has been out of the lineup with an infected heel rose to heights seldom seen here. He was all over the field, a power on offense and defense.

In the early stages of the game Red Bell gave the crowd thrill on thrill with much yardage by the spinner route. He was not to be stopped. It was Bell's slice through that took the ball to the 6 for the first touchdown.

Captain Tindall turned in a great game. He caught passes, was powerful on defense and kept up a good running spirit in the team. He's a real Captain.

Walschak at tackle shared in the play for a greater defensive line and with him were standouts J. P. Gooch at guard and Dycus who interchanged with Mack Nicholson when injured. Dycus played hard. He was in on every bit of action as was Gooch who battled every inch of the way and was going like house afire when the final whistle blew.

Byron (Cyamore) Graham, changed to tackle position got in briefly as did Sweet, Terry at guard and Wilkerson at tackle. Strickler of Ben Arnold at guard broke into the line up for the first time.

The Yoemen amassed 17 first downs. Caldwell got 5 first downs. Cameron gained 328 yards from scrimmage while Caldwell got only 118. The Yoemen completed seven out of 10 passes, a record.

The Monday Night Club were guests of Mr. and Mrs. Richard Bush this week. First prize in the bridge games was won by Mr. and Mrs. Harvie Yoe. Mrs. Bush decorated her home beautifully with roses and zinnias and served her guests a sandwich plate.

Mrs. Dan Robinson, Mrs. H. M. Timmons and Mrs. W. J. Willingham of Milano were visitors in Cameron Monday.

APPEASEMENT THROWN OUT AS HULL ANGERED

The Daily Herald heard an unconfirmed report early Monday that official Washington has decided that appeasement is no good as a foreign policy and will move quickly to give Japan, Germany and Italy the full force of this country's might in war.

A report that United States warships had moved into Shanghai after an American sailor had been beaten by Japanese who sought information concerning the location of the U. S. Fleet, was not confirmed. Late Saturday a news report said a large flotilla of American fighting ships had left Pearl Harbor in Honolulu for the far east.

If American warships have entered Shanghai they are from the fleet already stationed in and near the Philippines.

The Daily Herald learned that the Burma Road recently closed on request of Japan to Britain will be reopened and that Britain will cease all trade with Japan as regards war materials.

Japan will no doubt seize the Dutch East Indies and this will bring the United States into war.

According to an unconfirmed report Secretary of State Cordell Hull was disgusted with repeated notes and attempts to appease the Jap Military machine and the government in Washington was preparing to meet any eventuality in the far east even at the risk of war with Germany.

The United States, it was learned, believes vital supplies can be given Britain and a war waged against Japan at the same time.

The Burma road lies east of the great naval base at Singapore and the Malay peninsula far out of reach of Japan unless the Japs should seize Singapore where the United States is said to have been offered accommodations for the far eastern fleet.

Hitler wants the United States engaged in a war in the far east so effective aid cannot be given Britain. Heavy contributions to England from America will prolong the war. It has already projected the struggle to 1941.

Hitler still is preparing for an invasion of England.

German children are being evacuated from Berlin. Thus far voluntary evacuation is taking place. It is the first admission that Britain is reaching the heart of the Reich with bombs.

Ribbentrop, the German foreign minister, was reported today to be preparing for another visit to Moscow, there to bring Russia into the war against England and the United States.

Spain is to be brought into the war against England and the United States also. This was the picture as night closed down over Europe and Asia.

British bombers were taking a heavy toll in industrial Germany and along the channel ports while Nazi planes were striking at London.

WILL LEAVE FOR ALASKA

In a recent letter to his parents, Seeley Storey, son of Mr. and Mrs. Bill Storey of Cameron, wrote from McCord Field in Washington where he is stationed in the 73rd bombard squadron, that he is now a qualified machine gunner and will leave America for Alaska on November 1st. In a recent target contest, Seeley won second place in shooting a machine gun from a plane. He began as a mechanic, then an aviator and now is a machine gunner.

YOUTH WANTED

Fred Joseph, Youth Personnel Officer of the NYA state office will be in Camero Saturday, October 5 at 9 a. m. in the NYA area office to take applications and interview youth for the various training centers.

Among the projects for which applications are being taken are the resident centers at Bastrop, Inks Dam, San Marcos and Wood Lake. These projects offer work experience and training in various occupational lines such as wood and metal work, auto mechanics, cooking and radio.

Young men between the ages of 17 and 24 years inclusive who are unemployed and out of school should make application to Mr. Joseph if they are interested in this type of training.

J. A. McKinney of Jones Prairie was a business visitor in Cameron Saturday.

Miss Emma Julia Akers who is attending Sam Houston State Teachers College in Huntsville for her second year spent the week end here with relatives and friends.

JAPS SAY WAR IS CERTAIN TO COME

President Roosevelt shortly before noon today summoned a meeting to include two cabinet members, Secretary of War Henry L. Stimson, and Secretary of the Navy, Knox.

The President and his advisors were scheduled to confer around 3 p. m. today.

In addition to the heads of the war and navy departments the President summoned one assistant secretary of war and members of the general staff of the army and navy, including one admiral.

The meeting is believed to be occasioned by the virtual ultimatum of Japan over the invasion of Indo-China.

The Chinese ambassador in Washington was quoted as saying that the Japanese government had authorized him to inform the United States that any move on the part of the American fleet in the Far Eastern waters would be interpreted as an act of war and that his government took full responsibility for the military alliance with Germany and Italy and the United States should either enter the war or back away.

The Japanese ambassador was believed to have informed the American government that expansion in the Far East will proceed irrespective of any action the United States may take.

The hastily summoned meeting of the military chieftains of the United States was believed to have an important bearing on developments over night in the Far East.

The United States and Japan will soon be at war in the view of the

Japanese government.

On Thursday, President Roosevelt placed an embargo on scrap iron to Japan.

For several hours this morning newspaper correspondents fired questions at President Roosevelt. He was asked whether this government will place an embargo on oil. He referred to the state department for the answer, indicating some such action may be contemplated.

Observers in Washington say that the United States will not go to war with Japan because to do so in advance of having constructed a two ocean navy would invite a precarious operation. Any further move on the part of the United States, they say, would cause Japan to begin an immediate conquest of the Dutch East Indies and to take over oil reserves in that rich province next door to the Philippine Islands.

Secretary of State Cordell Hull, told newspaper men today that the alliance announced between Germany, Italy and Japan on Thursday would have no bearing whatever on the determination of this country to

give every aid possible to Great Britain short of actual war.

The press of Japan was boiling with anger at the United States and some incident is believed certain to give the Japanese a pretext to oust the American units from Shanghai.

This was regarded almost certain to provoke war between the two countries.

Disaster again befell German bombing attacks on London when the British shot down 98 of the Nazi craft in a renewal of the air war that has featured operations between the two countries.

Adolf Hitler spoke not a word but gazed at the ceiling for 10 minutes as the military alliance was being signed between Germany, Japan and Italy.

Mr. and Mrs. Henry Dakel and son, Robert Lee, visited Mr. and Mrs. Bob Busker in Lott Sunday. John Busker of Burlington accompanied them.

O. C. Nolte of Ben Arnold transacted business here Saturday.

Personal Mention

Milton Leech, graduate of Yoe High School and a senior in college, was elected head yell leader Tuesday at Lon Morris College for the 1940-41 session. Leech also was one of the leaders last year.

Edward Love and wife, the former Miss Bonnie Louise Hanley of Centralia, Ill., are now making their home in Temple where Mr. Love is employed. They visited in the home of Rev. and Mrs. J. P. Love last Sunday.

Mrs. J. F. White of Rosebud, her mother, Mrs. Long of Dallas, and Mrs. L. O. Tucker of Beaumont were guests of Mr. and Mrs. W. A. Beal while attending the Methodist Conference here this week.

Among those who attended the circus in Temple Wednesday night are: W. A. L. Robinson and family, Drayton McLane and family, Mr. and Mrs. Lester Glass and son, Donald; Durall Lemley, Mrs. Bill Burns and Miss Agnes Heber.

Mrs. Berry Caldwell is still confined to her bed after a 4 weeks illness. Her many friends wish her a speedy recovery.

Dr. A. S. Epperson has returned from Dallas where he attended the State Health Officers Convention.

Mrs. John Weeks of Cleveland visited here this week end.

Mrs. J. A. Fieffe of Diball was among the women who attended the Methodist Conference here this week.

Mr. and Mrs. W. A. Morrison and Dr. and Mrs. C. G. Swift were visitors in Temple Wednesday night.

Vegetable Laxative Has Important Points

Most people want a laxative to do three things: (1) act punctually, (2) act thoroughly, (3) act gently.

Here's one that usually fills all three requirements when the easy directions are followed. It's an all-vegetable product whose principal ingredient has medical recognition as an "intestinal tonic-laxative."

That's the ingredient which enables BLACK-DRAUGHT to help tone lazy bowel muscles. It is the main reason for the satisfying relief from constipation that generally follows next morning when BLACK-DRAUGHT is taken at bedtime. The millions of packages used are proof of its merit.

Fined for Possession Of Untaxed Beer

Charges of possession of untaxed beer were filed against John Mikula in Justice Court here Monday.

Mikula was arrested late Saturday at his home, south of Ad Hall by Meade Miller, representing the Liquor Control Board, and B. F. Bailey, constable.

The officers found 171 bottles of home brew in Mikula's home.

On a plea of guilty in County Court where the case was transferred he paid a fine of \$25 and cost.

Home brew, the beverage that found wide consumption during prohibition days is not prohibited when made for home consumption but sale of it is prohibited under the law.

MILAM COUNTY SETS UP DRAFT MACHINERY

Consideration of the burden placed upon Counties to conduct registration of manpower in Texas under the National Draft Act, was under way by the Commissioners' Court of Milam County early Saturday.

County Judge Jeff T. Kemp and Commissioners R. G. Stidham, B. M. McMillon, R. G. Stiles and E. L. McGuyer, along with Homer Nabours, County Clerk, who is charged with the responsibility for much of the detail work, approached the problem with a full measure of patriotic comprehension of duty.

No provision is made for payment of anyone in connection with the enormous detail of work required for this registration.

It is estimated that the number of registrants will be approximately 80 per cent of the voting strength.

The Commissioners' Court in conjunction with Mrs. Guy T. Newton, County Superintendent, have under consideration a request that rural schools declare a holiday on October 15th and that school teachers, women not eligible for the draft and men not within the draft age, volunteer their services for one day to complete the registration. This would in a large measure solve the problem of obtaining help in the voting precincts of the county.

In incorporated towns and in high school districts and other places the matter of arranging for suitable help will be undertaken through plans yet to be decided upon by the county clerk.

The government estimates from 20 to 30 minutes is required to register one man. At this rate it would require 21 days for one clerk to register 600 men. It can be seen that a large number of workers will be necessary to complete the job within the 14 hours allotted from 7 a. m. to 9 p. m.

Judge Kemp received notification Saturday morning from Governor O'Daniel outlining the co-operation expected of the Commissioners' Court.

Judge Kemp and all Commissioners were in session at 9 a. m. in quick response to the letter from the Governor.

The Court and the County Clerk are to be praised for their immediate action and willingness to undertake with the co-operation of volunteers the task of placing Milam County's manpower in readiness for draft.

Under no circumstances will anyone receive pay for this work. It is therefore the patriotic duty of every person called on, to contribute this one day of service to his country.

Cotton Crop Will Be shortest Since 1925 Production

Milam County's cotton crop for 1940 appeared to be the smallest since 1925 as returns were made by Ray O'Neill, special agent of the department of commerce.

Based on the report up to Sept. 16th the county had ginned only 12,730 bales of cotton. Up to the same day in 1939, 20,847 bales had been ginned.

Mr. O'Neill said that according to ginners throughout the county the crop may be 80 percent gathered.

In 1925 the most severe drouth known, the county produced only 10,000 bales of cotton.

The crop shortage for 1940 is attributed to insects and excessive rain fall during the growing season.

The next report to be made by Mr. O'Neill will be approximately October 1st and should indicate the extent of the crop shortage.

NEWS FROM
MILANO

After the rain of last week everyone is busy planting fall gardens, digging sweet potatoes and gathering pears. The pear crop in and around Milano was very good this year.

Mrs. Al Johnston and son, Allen of Oklahoma City and Mrs. L. J. Eastwood of Luling are here with their mother, Mrs. R. E. Thweatt who still remains critically ill.

Mr. and Mrs. W. F. Iiams left Friday for Houston, Orange and Beaumont where they will visit with their children for a month or longer. They were accompanied by Floyd Jackson who drove the car for them as the Doctor did not think Mr. Iiams was able to drive. Lloyd will return home in a few days.

Mrs. Dan Robinson spent the week end in Caldwell in the home of her brother, O. F. Hill.

Mrs. Julia Lee of Houston is a guest in the home of her aunt, Mrs. Mattie Beard and family.

Mrs. Ouelia Elam of Waco was a guest here last week of her daughter, Mrs. Weldon Bailey.

Mrs. Ida Howes left Friday for Houston where she will spend several days with her daughters, Mesdames Vanover and Miller.

Mrs. Bessie Brennan, Miss Kate and Alice Brennan spent Wednesday in Taylor visiting in the home of Mr. and Mrs. Ed Brennan.

Mrs. Sam Taylor entertained Tuesday with a birthday dinner in honor of Mrs. Mary Mullins, Mrs. Mary Peeples and Mrs. Ida Howes. She served a lovely noon day lunch, then in the afternoon she served her guests apple pie covered with ice cream. Those present were Mrs. Dan Robinson, Mrs. Ida Howes, Mary Mullins, Martha Baggett, Julia Lee, Mary Peeples and Ophelia Beard.

Mrs. C. A. McLeod and baby spent a few days last week with her parents at Grapeland.

Mrs. J. D. Peeples and Mrs. Jack Wilkerson spent Thursday in Waco shopping.

Mrs. Lucille Przybylski has returned from San Antonio where she attended the National meeting of Beauty Operators.

"Build-Up" for Women
Helps Avoid Distress

Do you suffer periodically from headaches, nervousness, irritability, cramp-like pain?

If so, here's good news! These may be symptoms of functional dysmenorrhea due to malnutrition, often helped by CARDUI.

CARDUI usually increases appetite and the flow of gastric juice; so aids digestion and helps build up strength, energy, physical resistance. Result is form is less periodic distress. Or you may find this also helps ease your periodic discomfort. Take CARDUI a few days before and during "the time." 50 years of use and popularity invite your confidence in CARDUI.

BREWERS OF NATION
COMING TO TEXAS

For the first time in its history the United Brewers' Association, which was organized 78 years ago, will hold an annual convention outside of one of the big cities. They have always been held in New York, Chicago, Los Angeles and cities of that size. The 65th annual convention will be held at San Antonio, October 27-28-29, with headquarters in the Gunter Hotel.

B. B. McGimsey, Vice President and General Manager of the San Antonio Brewing Association and President of the Texas Brewers' Institute, who is a director in the United States Brewers' Association, was successful in bringing this convention of about 600 people to San Antonio. As chairman of the local entertainment committee, he is very busy making plans for some unusual entertainment for the visiting brewers and members of the allied industries, who will come from all over the United States.

The following letter was recently mailed by him to about 900 members of the industry, and he says that Mayor Maverick, the San Antonio Chamber of Commerce, and the Gunter Hotel, are also sending out special invitations to the brewers, and otherwise co-operating wholeheartedly in the convention plans.

"Howdy Tenderfoot!

I reckon as how you've been hearin' there's gonna be a big Round-up of them brewers and their allies down San Antonio way, comin' this October. I've been over and took a look at the coral they's gonna herd all of 'em in, and heard tell of the carryin'-on that's being planned. It shore looks like the old chuck wagon is gonna be pinety stocked up with good vittels and beer and sech like. I've seen a lot of dancin' and singin' down 'round the Rio Grand, also that they has at them nite spots in Chicago and New Yawk—well, they gonna have all that and then some. Shore is gonna be some steppin', so you better come on down and get in on this Big Roundup.

Seriously, on behalf of the Texas brewers and myself, I want to extend you a most cordial invitation to be with us here in San Antonio on the occasion of the 65th Annual Convention of the United States Brewers' Association, which will be held in the Gunter Hotel, October 27-28-29. It, of course, will not be like previous conventions which have always been held in large cities, but I feel confident that the hospitality and charm of San Antonio will make it an occasion long to be remembered.

Will Rogers once said, "I always told you that there were just three towns in the whole of America that were different and distinctive—New Orleans, Frisco and San Antonio. They each got something that even the most peristent Chamber of Commerce can't standardize." We have here a number of old Missions and

famous historic buildings dating back 300 years. At the same time it is a city of modern buildings, beautiful homes and parks. Even the "boom days" of the "Twenties" did not destroy the charm of this old city. There are several exceptionally fine golf courses, and the weather is always fair. The greatest permanent Army organization, and the largest Army Air Training Fields in the United States are located here.

LIONS HEAR SAFETY
PROGRAM TUESDAY

Lions heard with interest a very informative address on the origin, growth and progress of the present Texas Department of Public Safety at their luncheon here today, from E. A. Jones of the Austin Division.

Harvey Yoe, Chairman of the Safety Committee, presented the State Official and in his introduction told of plans for installation of the Junior Safety Patrol at Ada Henderson this afternoon under the auspices of the Lions Club. Mr. Yoe expressed appreciation to the Department for the co-operation given the club and the City in this splendid project for the security of life.

Mr. Jones told Lions many interesting facts about the intricacies of Traffic management in Texas. He outlined in brief a number of rules and regulations governing the owning, operating, and control of motor vehicles. Lions questioned the official for thirty minutes touching all manner of traffic violations, accidents, conduct and procedure following an accident and what to do in many other difficult situations involving hazards in transportation.

Reports were heard from chairman Guy Haynes on the progress of the Carnival and John Jeter in charge of benefit negro football games.

Albert Young was a guest of the club today. An added measure of safety for children attending the public schools of Cameron was made today, when E. A. Jones of the Texas Department of Public Safety, Austin, installed a Junior Safety Patrol under the sponsorship of the Lions Club.

The student body of Ada Henderson heard the Safety Department official outline a program of measures insuring greater protection of life and minimizing of traffic fatalities and accidents. Students at Ada Henderson will compose the Junior Patrol. Daily these lads will direct the stream of traffic of students and vehicles at Fannin intersections of 19th and 21st streets. For over a year the Lions Club has sponsored a program at the Public Schools on Safety. "This added feature of the Lions club will give youth in Cameron incentives for observing safety measures" Mr. Jones told Ada Henderson students. "Your Lions club will furnish you with Junior Patrol uniforms, insigna, and bulletins and posters. It is a step in keeping with every progressive town and city in Texas and I am glad to see your local Lions club take such interest in your young people."

A large delegation of Lions attended the installation ceremonies at the school. Cameron Lions are appreciative of the co-operation given by the State Department to efforts in the interest of Safety here.

Miss Susan Pope who has been making her home in Abilene for several years, has returned to Cameron, old home, and is now keeping house on West 2nd street. Her many friends are pleased at her return to Cameron.

Miss Elizabeth Mangum, daughter of Mr. and Mrs. Wiley Mangum, is attending Fullerton College at Fullerton, Calif. She is in the Junior school, and is specializing in Art, Interior decorations and designing. Her work in water-colors, was selected from among five college classes, as the best in composition, color, rhythm and creative expression, and was the only one to be put on exhibition for two weeks in the College Art gallery, of the school. Miss Mangum is very happy in her work and likes the fine climate of California.

Mrs. E. E. McCarty of Burke attended the Methodist Conference here this week.

EPISCOPAL CHURCH
Sunday, October 6th, Holy Communion and Sermon at 9 a. m.

Jim Perkins of Hearne transacted business in Cameron on Wednesday.

Joe Stalin Tells
'Em Nothin'; But He
Is Sure to Join Up

Joe Stalin had the Axis backfield mixed up on signals today as he sat in the Kremlin, picking his teeth and waiting for his duster to dry.

Frantic efforts were being made to get Russia into the anti-democratic camp but Joe was not inclined to talk at this time.

It was almost certain he would do nothing to help the Democracies because the United States gave every possible aid to Finland.

Stalin will sooner or later lead Soviet Russia into a military alliance with Germany and Italy and will reach an understanding with Japan.

The United States will then be confronted with more military power than America can muster. Washington was silent today, waiting for another crisis. World events are measured by the crisis standard these days.

If there is no pre-arranged crisis there is no war.

Bombings were lighter today but another crisis is brewing. Spain is coming in with the Axis and Gibraltar may be the next big battle ground.

Warships reported Monday to be on their way to Shanghai seem to have vanished like the dander Secretary Hull seems to be raising every fortnight when the Japs kick Uncle Sam in the pants.

The world is quiet today. There is no war except newspaper war. So far not one American soldier has been killed and many battles have been fought in the campaign of foreign policy.

METHODIST CHURCH

(Continued from page 1)

sentative Women's Division," assisting.

Mrs. R. L. Batte of Cameron was hostess with able assistance of all the ladies of the church.

The meeting opened at 2 p. m. with Words of Welcome, and business session was called to order by the Bishop.

During the two days of meeting approximately 300 delegates registered from over the state, with a large number of visitors, not delegates.

At the evening meeting Monday, the Bishop brought an interesting and instructive message to the church on the "New Work" of the Methodist Church.

At the close of services, "Sacrament of the Lord's Supper" was administered with approximately 500 people participating.

Rev. John W. Mills, pastor of the church and members all feel grateful to the other denominations for splendid co-operation and cordiality extended them by opening their homes to help take care of all delegates and visitors.

The meeting closed Tuesday at noon. During the two days session the ladies of the Methodist church served luncheon Monday and evening meal, with a luncheon Tuesday in the basement of the church.

Miss Lalla Meyers has returned from San Antonio where she attended the National meeting of the Beauty operators, and heard some of the best authority on the work, in the United States. This was the first time that National meeting was ever held in Texas.

Ruby Lee Craddock of Milano visited in Cameron Tuesday.

R. M. Gjedde and Curtis Lowe were visitors in Temple Wednesday night.

Leonard Balylock visited in Temple Wednesday night.

Ross McCrary of Lilac transacted business here Saturday.

PARENT-TEACHERS TAKE
OVER LUNCH ROOM

The Parent Teachers Association has undertaken operation of the lunch room at Ada Henderson school for under nourished children.

Mrs. W. T. Hefley, president of the Association, announced the new program for the year which includes the important aid to underprivileged children.

The committee for the lunch room is as follows: Mrs. Albert Collins, chairman; Mrs. Lester Williams, Mrs. Earle Burke, Mrs. Drayton McLane, Mrs. Clark Kelley, Mrs. H. P. Culpepper, Mrs. Chas. M. Hicks, Mrs. H. F. Smith, Jr., and Miss Winnie Henderson.

The lunch room is supported by government allotment. Merchants of the city donate food. Citizens who have a surplus of canned goods are urged to contribute to this school.

The lunch room was formerly sponsored by the Milam County Welfare Board. Similar lunch rooms are available to all schools in the county. The government will give seed and free labor for gardens that produce food for these lunch rooms.

Mrs. Hefley said the Parent Teacher Association this year is stressing a closer co-operation between the association and the parents. Teachers have been liberal in their attendance but parents on the whole have not attended the meetings.

Men and women are eligible for the Association and the dues are only 50c per year.

Mrs. Bennie Winfield, heads the welfare department in the Association distributing used clothing.

Parents whose children are beginning school for the first time should have their children checked over by

a physician to insure their normal progress in school.

ENTERTAINS 42 LEISURE CLUB

Mrs. Herman Boedeker was hostess to the 42 Leisure Club on Thursday. Guests for the afternoon were Mrs. Mary V. Posey, Mrs. Joe Orsag and Mrs. Ben Boedeker. First prize was won by Mrs. John Matyastik, second high by Mrs. Leo Laake and traveling prize stayed with Mrs. Jim Crouch. Cut prizes were given to Mrs. V. E. Lesikar, Mrs. Crouch and Mrs. Henry Dakel. A patriotic theme was carried throughout the decorations. The hostess assisted by Mrs. Crouch and Mrs. Matyastik served cherry pie, sandwiches and coffee. Small flags were plate favors.

YOEMEN PASS ATTACK HERALD'S FAST PLAY

Louis Aranda who gave a great exhibition at right end made one of the most sensational pass catches ever seen on Yoemen field in the fourth quarter aerial attack that netted two touchdowns.

Arthur Cobb figured in a 11 yard touchodwn in the final quarter as the Yoemen ran wild. The passing game looked phenomenal. Here is a play by play report of the game:

FIRST QUARTER

Caldwell won the toss, elected to defend the east goal and Captain Tindall elected to receive.

Lewis for the Hornets kicked and Hays returned only 3 yards. The Yoemen drew a five yard penalty for offside. Bell got only a half yard at center but picked up 7 on the next play. Tindall went around the Caldwell right end for 15 yards and a first down. Bell on a spinner through center made 20 yards and a first down. The Yoemen line was a thing to be reckoned with and were blocking like veterans. Bell got 8 more through center and on the next play Hays carried the ball around the Caldwell left end for 4 yards and a first down. Caldwell was offside on the next play and drew a 5 yard penalty. Cobb on a reverse made 6 yards around the Caldwell right end for another first down. The ball was on the Caldwell 6 yard line. Hays took the ball around his own left end for 11 yards and a touchdown. Both teams were off-sides and the play was called back. On the next play Tindall made 3 yards around end. Hays pulled a fancy run through his own right tackle, sidestepped a brace of Hornets and went over for the first score of the game. Salach failed to kick goal. The Yoemen kicked off to Caldwell. Heine fumbled as he was tackled and the ball was recovered by the Yoemen. Bell on a fake through center picked up 6 and on the same play made three more on third down. The Yoemen lost the ball when Cobb failed by one foot to make it first down. Ginzel for Caldwell made 2 yards off tackle and Shaw went through center for 3. Ginzel punted and Hays returned 6 yards. Bell made two at center. Tindall was unable to gain around end as he was tackled by Lewis. Bell picked up 5 at center. Tindall kicked to Heine who made a sensational 35 yard return. Caldwell called time out. Nicholson replaced Dycus. Shaw made 3 at center. Ginzel failed to gain as Tindall broke through and tackled him. The quarter ended. Score: Cameron 6; Caldwell 0.

SECOND QUARTER

Lewis lost 3 yards as Nicholson and Bell caught him in a fierce tackle. Ginzel's kick is almost blocked. Nicholson fumbled on the punt and Caldwell recovered. Shaw was stopped by Gooch and Walschak for no gain. Salach stopped Shaw for no gain. Shaw passed to Orsak for a first down. On a triple reverse Masar made 3 yards and Shaw picked up 2 at center. On a triple reverse Masar fumbled and lost 2 yards. Shaw's pass to Ginzel was good for 8 yards. The Hornets were in striking distance of the Yoemen goal. Sraw got two yards. Heine attempting to break the Cameron line lost 1 yard. It was brilliant work for Kunz at right end. Shaw then tried two passes and both were incomplete. The Yoemen got the ball on their 14 yard line. Hays made 3 yards at end. On a race around his own right end Hays got 12 yards and a first down. Hays made 8 more at tackle as the Hornets called time out. Dycus was replaced by Nicholson. Hays made 13 more yards and a first down in 2 tries. Hays then tried a pass to Tindall but it was wobbly and no good. Masar was in to cover the receiver for Caldwell. Hays made 3 yards off tackle and Cameron drew a 5 yard penalty for offside. Hays picked up 4 yards and then Tindall got off a long punt to Heine who was cut down on the return. Shaw tried the tackle twice and got 6 yards. Ginzel then kicked to Hays who returned 5 yards. Hays made 6 yards as the half ended. Score: Cameron 6; Caldwell 0.

THIRD QUARTER

Lewis kicked off for Caldwell and Tindall made a short return. On two plays Hays made 8 yards and then fumbled but recovered on the third down. Masar lost 2 yards with Aranda and Tindall on the tackle. Shaw got 4 yards off tackle. Ginzel punted but was roughed by Yoemen forwards and the Cameron team drew a 15 yard penalty which gave Caldwell a first down. Shaw

made 2 yards. Shaw made 11 in two plays and a first down. Ginzel got 4 on a reverse. Shaw made a first down. Shaw passed to Dunaway for 25 yards and the Yoemen goal was threatened for the second time. Shaw made 3 at center. Shaw's pass was wild and Masar got 4 yards off tackle. Shaw hit the back of an ineligible man on the next pass. Cameron took over. Hays made a first down in two tries. Lewis of Caldwell was hurt on the play. Hays made another first down in a sweeping end run. Off tackle Hays got 6 and Bell made one yard through the line. Hays' pass to Kunz was no good. Cameron was penalized 5 yards for off sides. Nicholson replaced Dycus at guard. Hays found Cobb with a pass and it was good for 4 yards as the quarter ended. Score: Cameron 6; Caldwell 0.

FOURTH QUARTER

Hays made 3 yards and a first down. Hays shot a basket pass to Cobb for 3 yards. Hays passed to Tindall for 6 yards and first down with Kunz making a nice block. Caldwell called time out. Terry replaced Gooch. Hays made 3 yards. Hays passed to Tindall but it was no good. Hays skirted right end for 17 yards and then made 4 yards off tackle. Hays on the next play took the ball around end for 11 yards and a touchdown. Salach failed to kick the goal. Salach kicked to Masar who fumbled momentarily and was hit hard by Walschak. Shaw made 4 yards through center. Shaw made two through tackle and Ginzel was forced to kick for Caldwell. Hays returned 13 yards. On the first down Hays passed to Aranda who made a sensational one hand catch of the pass and opened the way for another touchdown. The play netted 15 yards. Cameron was offside and lost a pass to Tindall. Hays passed to Bell for a first down. Hays pickel up 4 yards through center and on the next play started through center, handed the ball off to Bell who lateraled to Cobb and the fleet back raced around his right end for a touchdown. Salach again failed to kick goal. Graham came in for Kunz and Strickler replaced Aranda. Salach kicked to Shaw who returned 5 yards and was stopped by Strickler. Shaw attempting a pass was rushed by Graham and thrown for a 7 yard

loss. Ginzel kicked to Hays who ran back 14 yards. Hays made 3 yards off tackle. Hays shot a pass to Graham who missed and the ball was caught by Tindall and good for 16 yards. Hays passed to Tindall who made a beautiful one hand catch for 13 yards and another first down. Hays passed to Bell for 9 yards. On the next play Red Bell went on a blocking spree and carried Bobby Hays around the Caldwell right end for the fourth touch down of the game. Again Salach failed to kick goal. Sweet went in for Walschak and Black went in for Brashear. Salach kicked off but the ball failed to make 10 yards and was brought back. Salach got off a nice end over end kick which was taken by Ginzel who made a short return, tackled by Salach, Graham and Strikler as the game ended. Final score: Cameron 24; Caldwell 0.

SPELCE-KINARD

Mrs. Allie Kinard announces the marriage of her daughter, Gladys, to Carl Cooper Spelce at the First Methodist Church at 9 a. m. Saturday, September 28th. Rev. John Mills conducted the ceremony in the presence of the immediate families. The bride wore a going away dress of pigeon blue with spice accessories. Her corsage was of gardenias. Miss Kinard completed high school in Cameron and attended the University of Texas. For the past several years she has been engaged in business in this city. Mr. Spelce is the son of Mr. and Mrs. Cooper Spelce of Windom. He attended Windom high school and later went to A & M college where he received his degree. He was Assistant Rural Supervisor of the Farm Security Administration in Milam County for two years and was recently promoted to Rural Supervisor in Falls County. Immediately following the ceremony Mr. and Mrs. Spelce left for New Orleans and other points in Louisiana. Upon their return they will be at home in Marlin.

John Klypas of Burlington transacted business here Friday.

Mr. and Mrs. William Krause and Mrs. LeRoy Witt of Burlington were visitors here Friday.

HITLER SEEKING WAY TO KNOCK U. S. OUT

Japan is ready for any move the United States may make to enforce foreign policy in the far east.

It became known today that the new military alliance between Japan, Italy and Germany expressly relieves Germany from any obligation to go to war with Russia in case Russia and Japan became involved in a conflict.

Russia, prize reserve strength in the battle for world domination, is sitting on the sidelines. No comment has come out of the Red capital. Presumably Russia will take her own time but is figured on the side of the Dictators.

Secretary of State Cordell Hull is to deliver an important address this afternoon and may enlarge upon the aims of the U. S. in the far eastern crisis.

The pact, said to be aimed at the United States, was filling the world with talk today. Washington was silent.

Japan is trying to negotiate a treaty with Russia and there were many indications she would succeed.

Dictators and totalitarian powers hate democracies. Russia's pet hate is America and England.

Spain will come into the alliance at an early date.

The United States, The Republics of the Western Hemisphere and England are alone with the possible exception of Greece and Turkey yet to definitely be placed in the final round of the fight.

America will be in war in the far east soon and may be drawn in against Germany and Italy simultaneously.

Adolph Hitler in a re-iteration of German attitude told the South American countries today that Germany has no intention of expansion in that continent.

Germany was said to be ready to try other ways to stop the United from aiding Britain.

United States aid to England is prolonging the war and Hitler is represented as opposed to a long war.

Reprisals against America may come in a number of ways. Inside

the country disorder may prevail. Trouble may occur in South America and in Mexico. Hitler is believed to be determined to pre-occupy the United States in War, especially with Japan so that active aid cannot be given Britain.

The tri-nation alliance was said to be aimed at America, one of a number of steps to be taken to scare this country out of the orient and bluff the United States away from defense of England.

Bombing raids with resulting heavy damage to both England and Germany featured the war in Europe today.

A Sparkle for Your Eye...

Oklahoma—'89... it was LAND that they were after!

The drama of Oklahoma, '89... it stands even today as a symbol of man's eternal hunger for the land. While those thousands stood at the line, waiting for the barrier to be lifted—for Congress had decreed Oklahoma open to settlers—there was but one thought in the minds of all: LAND—a place on which to live; soil for crops; LAND—to own. Not soft men and women, these "Sooners"... they got what they wanted.

LAND IS WEALTH

The land rush of '89 did not see the quenching of man's thirst for land—the spirit of the pioneers is not dead. Men of foresight today are aware of the security of land investment. Experience the adventure of land ownership yourself!

Citizens of Cameron were assisting Mr. Zapalac today and all sympathize in the loss of his home.

D. R. Maddox and family of Thorndale visited his brother H. N. Maddox and family in Cameron on Sunday.

CHRISTIAN SCIENCE SERVICES

"Unreality" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, October 6.

The Golden Text is: "Know therefore this day, and consider it in thine heart, that the Lord he is God in heaven above, and upon the earth beneath: there is none else" (Deuteronomy 4:39.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "O Lord my God, I cried unto thee, and thou hast healed me" (Psalms 30:2.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "There is no power apart from God. Omnipotence has all-power, and to acknowledge any other power is to dishonor

God . . . Nothing unspiritual can be real, harmonious, or eternal" (page 228, 335.)

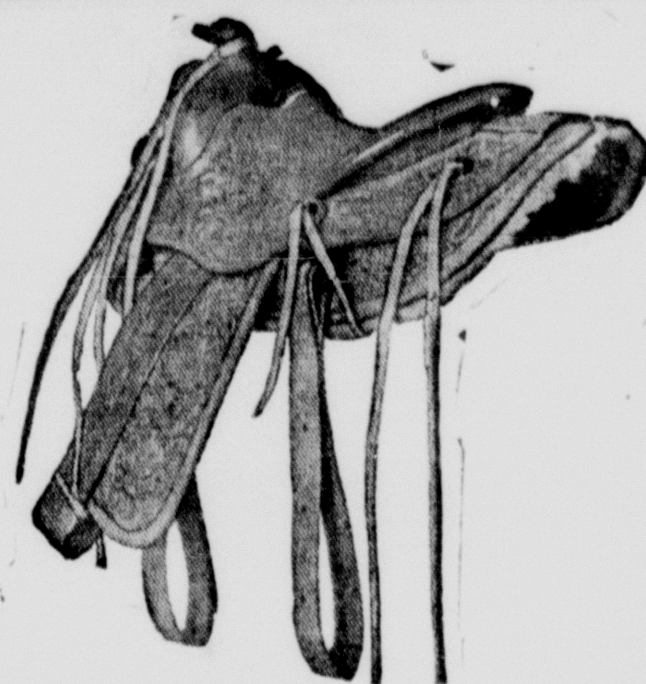

Alvin Dornier who is attending Business College in Dallas is spending the week end here with his parents, Mr. and Mrs. Albert Dornier. Alvin graduated from Yoe High School last year.

"TASTES BETTER THAN ANY OTHER BEER"

3-Way Test Wins for SOUTHERN SELECT

When you buy beer you might as well have the kind with the finer flavor—Southern Select. Make the 3-way test and see if your experience isn't like that of one Texan—

He got curious about the 3-way test and finally compared Southern Select side-by-side with other beers—for delicate aroma, finer flavor and absence of after-taste. He found that Southern Select came out on top in every test—and he's convinced that it "tastes better than any other beer."

Get yourself some Southern Select and a few bottles of other brands so that you can make the 3-way test and settle this beer question once and for all! We'll abide by your verdict!
